**DIRECTIONS:**

1. Trim the striped paper to 11"x11" then cut into one 5" strip and two 3" strips. Mount the 5" strip at the bottom of an 11½" piece of orange cardstock, allowing a margin of orange to show. Mount a 3" strip at the top. Sand the edges of the orange cardstock. Mount the orange cardstock onto a sheet of 12"x12" Pink sanded cardstock. Cut a 12"x5" strip of melon cardstock and attach it to the page as shown.
2. Mount the photo on green and pink sanded cardstock. Attach the photo to the page at the corners only.
3. Cut pieces of cardstock large enough to fit the chipboard letters. Sand lightly and run through the Xyron® machine. Attach paper to letters, flip over and trim around edges with an X-Acto® knife on a cutting mat or other protected surface.
4. Decorate first "m" with a metal word, a vellum flower, and a piece of adhesive ribbon. Attach a scrap of striped paper behind the "o". Attach "mom" to page.
5. Punch 22 circles in a variety of coordinating colors, including the stripe, and sand lightly. Attach to page in an undulating, overlapping line, a little below photo. Allow a few circles to extend over the end of the page; trim and use the partial circle elsewhere. Set 2 circles aside.
6. Attach vellum stickers to page as shown, overlapping flowers onto the row of circles. Cut and adhere additional green stems and leaves where necessary. Attach dragonflies.
7. Write mother's name on one circle edge, followed by "and..." Add a vellum flower and tuck behind photo. Write baby's name and age on other circle edge. Attach flowers at the center.
8. Insert circles inside a decorative paper clip and attach to page with Zots, slightly overlapping the first chipboard letter.
