#### DIRECTIONS:

1. Paint wooden knobs with black paint & set aside for drying.
2. Place masking tape around hat box rim & rim of square box. Cover every other inch with masking tape.
3. Paint hat box orange. Paint square box white. Sprinkle each box with matching glitter while paint is wet.
4. Allow to dry. Remove tape. Carefully tape over painted area. Add black paint glitter to empty spots on rims.
5. Once dry, cover hat box lid with orange crow patterned paper; Cover square box lid with patterned paper.
6. To finish the hat box, cut three 3"x6" patterned papers and adhere around the box.
7. Divide the patterned paper with black cardstock cut to 1/4"x6". Each divider has been sprinkled with black glitter using Zig 2-Way adhesive. 12 dividers are needed.

8. Embellish box with tombstones cut from patterned paper & back with cardboard. Add pillow sticker crossbones to one tombstone. Add black pompom trim to the lid of the box.
9. Cover 2 sides of square box with patterned paper & 2 sides with contrasting patterned paper.
10. Using scallop-edge scissors, add 1" patterned paper border around base. Cut 1/4" black cardstock border & glitter it with black glitter. Glue border to patterned paper scallop.
11. Attach painted wooden knobs with E-6000 adhesive.
12. Carve 7" circle from front of Funkins™ pumpkin. Paint carved out piece green. While paint is wet, add green glitter for base to go inside Funkins™ pumpkin.
13. Cut strips of patterned paper. Adhere inside.
14. Cut 8" circle from black patterned paper. Secure to inside back of Funkins™ pumpkin.
15. Cut tree from patterned paper. Adhere it to cardboard for stability. Place it in the Funkins™ pumpkin so owls can be secured outside. Cut tree smaller to fit inside Funkins™ pumpkin.
16. Secure ghost & pumpkin Grand Adhesion stickers.
17. Cut out the shape of the iron fence from patterned paper. Place in front of green glitter lid inside. Add paper bat to the tree.
18. Adhere twisted cording around cut-out section of Funkins™ pumpkin. Add black buttons to cording.
19. Using the die-cutting machine, cut circles from black cardstock that has been glittered.
20. Paint Funkins™ pumpkin's stem with green paint and glitter it.
21. Tie black & white checkered ribbon to top of Funkins™ pumpkin. Add glitter leaves to stem.  
Place tea light & stretchable spider web inside.
