THANK YOU CARD

Supplies & Tools:

- Paper Shapers® punch tag, Folk Heart
- Paper Shapers® CardCreator punch, Cornerstone
- ZIG® Memory System® Writer™, black
- Cardstock: Yellow, Peach, Brown, White
- Cutterpede® straight paper trimmer
- ZIG® Memory System® 2-Way Glue™ Chisel Tip
- Computer font
- HERMA® Vario™ tab adhesive

DIRECTIONS:

1. From brown cardstock cut card to 7"x10" and fold in half. Trim a 1" strip from front side of card.
2. Punch corners of card front with cornerstone punch following package instructions.
3. Cut white cardstock insert ½" smaller than the face of the card. Place insert into the punched slots in the card.
4. Print the word "Thank" on a piece of peach cardstock. Trim cardstock into thin strip and position at top of white mat and adhere.
5. Print the letters Y, O, and U on yellow, peach and blue cardstock. Punch out each into a tag shape. Adhere tags tucked under the right side of the white insert to spell out "YOU".
6. Punch 3 folk heart shapes out of yellow, peach and blue cardstock. Referring to photo, arrange each into flower shapes; adhere in place. Use black marker to make dot for flower center and to draw the graceful stems.
7. Line the inside front of the card with white cardstock ¼" wider than card front.

HAPPY BIRTHDAY TO YOU CARD

Supplies & Tools:
