

**Skill level 1
Fleece Flowered Scarf**

*Courtesy of Therm-O-Web
Adhesives, Designed by
Chris Malone*

Supplies:

- Fleece:
 - 1/4 yard red and blue plaid or print
 - 1/8 yard each of red, blue and green solid
 - Scraps of pink and light blue
- Therm-O-Web® HeatnBond® Ultrahold Iron-On Adhesive
- Therm-O-Web® Pressing Paper
- Six round shank buttons, about 7/8" diameter
- Green pearl cotton thread, size 5
- Matching sewing threads
- Beacon Fabri-Tac™ permanent adhesive

Tools:

- Terrycloth towel
- Basic sewing supplies
- Iron

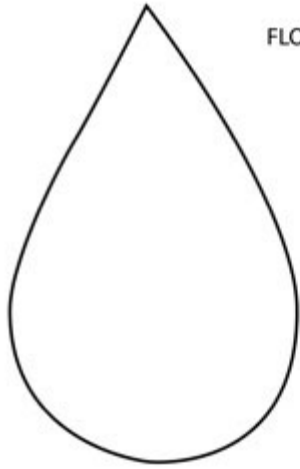

Directions:

1. Cut an 8" x 60" strip from fleece for scarf.
2. Cut red, blue and green fleece in half and bond two layers together with HeatnBond®. Follow manufacturer's directions, but place fleece on towel while using iron and use Pressing Paper between iron and fleece. It may be necessary to increase the iron times for a complete bond. Let fleece cool before using it.
3. From prepared fleece: Cut 24 red petals, 12 blue petals, and 12 green leaves (see pattern for design template).
4. For each flower, use doubled thread to gather along the base of six petals in a continuous line and join the last petal to the first. Pull on the thread to gather petals into a circle; knot and clip the thread. Repeat to make a total of 4 red and 2 blue flowers.
5. For center, cut four 1-3/4" circles from pink and two from light blue fleece. Sew gathering stitches around the edge of each circle; insert shank button and pull thread to gather fleece around shank. Glue pink centers to the red flowers and light blue to the blue flowers.
6. If desired, embellish leaves with four fly stitches sewn down the center of each leaf with pearl cotton thread. Bury knots between layers.
7. To each end of the scarf, glue two red and one blue flower, and five leaves.

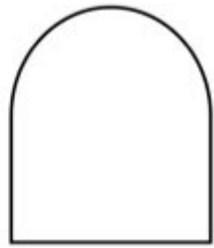

Skill Level: No experience needed

Due to seasonal nature of project, supplies are available for a limited time only. Please read all instructions prior to beginning; read and follow all manufacturers' instructions for all tools and materials used. Provide adult supervision if children participate in this and all craft projects.
