Directions:

Trivet Directions:

1. Locate flower & leaf patterns and print out.
2. Cut two 7-1/2" x 8-1/4" pieces from kelly green felt. Cut two 7-1/4" x 8" pieces of cotton batting.
3. Use patterns to cut flowers from felt; cut 1 flower from each blue color, cut 6 small leaves from lime felt. Cut 1 flower from each purple felt and 6 small leaves from lime. Cut 3 pink felt flowers and 6 apple green leaves. Cut 1 "under" flower and 1 "over" flower from each from light yellow, gold and orange felt. Use hole punch on outer flower to begin cut out. Pair yellows as follows: gold under with light yellow over; gold over and orange under; orange over and yellow under. Cut 6 leaves of lime.
4. Lay out leaves and flowers onto background. Pin in place. Leave a 1/2" outer edge clear of flowers.
5. Use 3-ply floss to stitch on leaves and flowers: Blue - use floss 828, blanket stitch outer edge, backstitch next line and stitch cross in center. Stitch leaves with feather stitch. Purples - use floss 209, chain stitch as shown. Stitch leaves in satin stitch 701. Pinks - use floss 3689, chain stitch as shown. Blanket stitch leaves outside edge and running stitch center line. Yellows - use floss 744, French knot around outer edge and 5 knots in center. Straight stitch in under flower as shown and over flower as charted. Feather stitch leaves.
6. Lay both layers of batting in center and place felt backing, matching edges. Pin in place. Backstitch along edges 1/4" from edge. Backstitch dividers in random lines between flowers and leaves. This will hold batting and backing in place.

Coasters Directions:

1. Cut eight 4" squares of kelly green felt. Cut four 3-1/2" cotton batting squares. Cut flowers same as trivet.
2. Lay out flowers in flower families - all blues together, all purples together etc.
3. Stitch same as on trivet. Pin layers together and stitch 1/4" from outer edge in backstitch or blanket stitch.
4. For yellow coaster, add French knots along outer edge.
5. For blue, before adding backing stitch random crosses onto background. Refer to photo as needed. Backstitch with blue floss.
