### Sashing Strip Diagrams

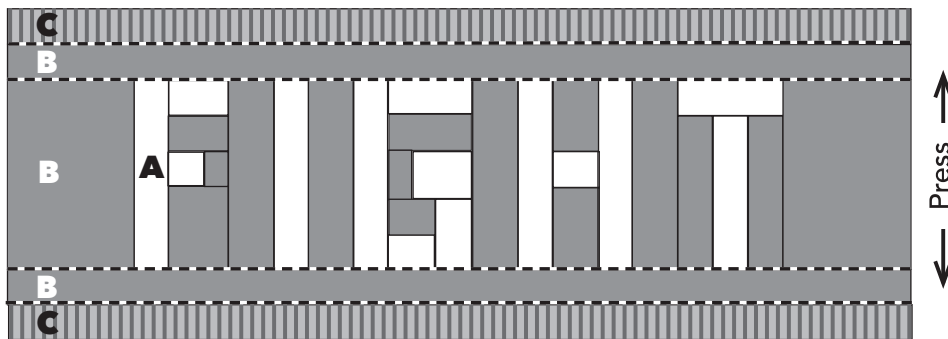

Measure across the center of the "FIGHT" row as shown. Write down the measurement.

Repeat measuring the "LIKE A" AND "GIRL" rows in the same way.

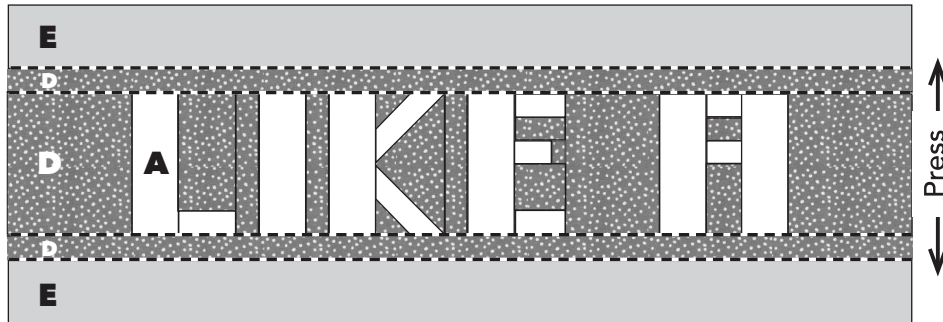

Find the average of the three measurements.

Trim the 2" Fabric B and Fabric C sashing strips from the "FIGHT" bag to the average measurement. Pin and sew as shown. Press seam allowances away from center row.

Trim the 1 1/2" Fabric D and 3 1/4" Fabric E sashing strips from the "LIKE A" bag to the average measurement. Pin and sew as shown. Press seam allowances away from center row.

Trim the 2 1/2" Fabric A sashing strips from the "GIRL" bag to the average measurement. Pin and sew as shown. Press seam allowances away from center row.
