SUPPLIES & TOOLS:

- Craft foam visor
- Pompoms
- Crazy Fun Sticky Letters
- Tacky glue
- Bucket of sticky-back craft foam shapes, underwater theme
- Glitter
- Newspaper

DIRECTIONS:

UNDERWATER VISOR:

1. Select craft foam shapes that fit on the visor and work well to make an underwater scene.
2. Peel removable backing off shapes and place on visor.
3. Because of the rounded shape of the visor, shapes may not stick well at the edges. This gives a 3-D appearance to the scene.

POMPOM VISOR:

1. Place a line of tacky glue along the top edge of the visor.
2. Attach pompoms on glue and allow to dry.
3. Peel removable backing off selected letters and adhere to visor.
4. Lay newspaper on work surface, peel backing off the top of letters and sprinkle with glitter.
5. Shake off excess glitter; pour glitter on newspaper back into glitter container.

Skill Level 1: No experience needed

Approximate Crafting Time: 45 min. plus drying time

Due to the seasonal nature of many projects, supplies may be available for a limited time only. Please read all instructions prior to beginning; read and follow all manufacturers' instructions for all tools and materials used. Provide adult supervision if children participate in this or any craft project.
